“Demonstrative pronouns ”

Demonstrative pronouns

There are four demonstrative pronouns in English, two in the singular, and two in the plural; they indicate either proximity **this**, **these**, or distance **that**, **those**.

Existen 4 pronombres demostrativos en inglés, dos singulares y dos plurales; ellos indican la proximidad (**This** y **these**) o la distancia (**That** y **those**).

	Proximity	Distance
Singular 	This	That
Plural   	These	Those

Utilizamos **Demonstrative pronouns** para señalar/identificar personas o cosas, que se encuentran cerca o lejos de la persona que realiza la acción.

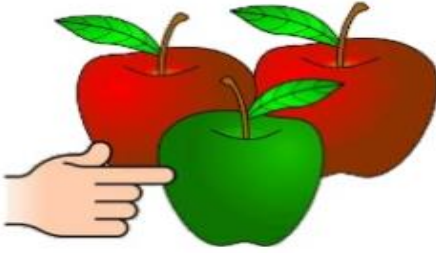

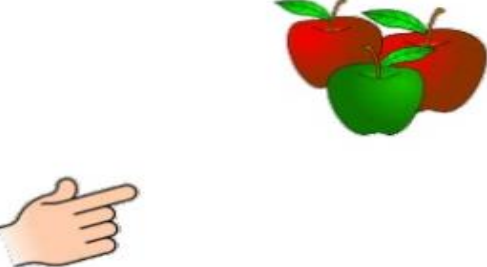

Por ejemplo:

Algo que esta cerca:

- **This** tastes good.
- **That** is beautiful.

Algo que esta lejos:

- Do you like **these**?
- Can you see **those**?
