

CUARTO MEDIO

The screenshot shows a richly detailed environment from the game 'The Great Escape'. On the left, a wooden menu board lists items: Axe, Handbell, Butterfly, Candleholder, Clown, Crown, Dagger, Fan, Glasses, Horseshoe, Hourglass, Key, Microscope, Plate, and Rope. Below the menu is a 'Clean the glass' button. In the bottom-left corner, a small box indicates '0/36 Cigars found'. The main area is a museum or gallery with a large Venus de Milo statue, a seated bronze figure, a hanging fish skeleton, and various framed pictures. A red rope barrier leads to a doorway. On the right, a mannequin in armor and a hat stands next to a circular display containing a fish. The floor is covered with various tools and objects like a lantern, a key, and a butterfly.
